Thanks to all who helped make the 5th Annual Packed with Love event a success! We could not have done without you!

When the body of Christ comes together to serve, great things happen!

Huge thanks to everyone who participated in our 5th annual *Packed with Love* event. This year was our greatest success so far! A total of 845 backpacks and supplies were given out to Beaverton area middle and high school students. Thanks to the 190 helpers who volunteered their time, the students are now able to begin their school year with all their classroom supplies. Our gratitude for your significant donations and diligent efforts in benefiting the Beaverton community.

Special thanks to the Mayor's office, the Beaverton libraries and the many business who made this year's *Packed with Love* event so successful.
